Declaration of Conformity with the REACH Regulation and the Candidate List

Dear Sir or Madam,

We hereby confirm that the products delivered by us do not contain any substances of very high concern (SVHC) of the regulation valid at the time of production and known candidate list above 0.1 mass percent according to Art.33 of REACH Regulation (EC) No.1907/2006 (REACH).

It is agreed with our suppliers that we will be informed immediately if the 0.1 mass percent threshold for a SVHC substance is exceeded in a product delivered to us.

We also conduct random tests for the presence of these substances at accredited laboratories.

We are intensively pursuing the implementation of REACH in our own interest and to ensure a high level of product safety for our customers.

Yours sincerely

Halfar System GmbH

Kathrin Stühmeyer-Halfar
