Declaration of Conformity with the REACH Regulations

Dear Sir or Madam,

We herewith confirm that the products delivered by us do not contain any

- substances of very high concern (SVHC) of the candidate list valid and published at the time of production above 0.1% by mass according to Art.33-(1) of REACH- Regulation (EC) No.1907/2006 (REACH).
- substances subject to the restriction of the REACH regulation according to Annex XVII of the version valid at the time of production are contained above the listed limit values.

It has been agreed with our suppliers that we will be informed immediately if the threshold value for a substance listed in the above regulations is exceeded in an article produced for us.

We also conduct random tests for the presence of these substances at independent, accredited laboratories.

In our own interest and in order to ensure a high level of product safety for the end consumer, we intensively pursue the implementation of REACH.

Yours sincerely

Halfar System GmbH

Kathrin Stühmeyer-Halfar
Managing director
